The Society receives a number of enquiries from the general public and the media.

Please tick the box if you DO NOT wish us to release your details to such enquiries.

From time to time we organise mailings on behalf of companies whose products we feel may be of interest to members. Please tick if you would prefer NOT to receive such mailings.

Full details of the Society's privacy policy can be found at [www.endocrinology.org/site/privacy.html](http://www.endocrinology.org/site/privacy.html)

**CONTINUED OVER**

**Mailing preferences for application with email address supplied**

Email communication – formal

The Society may send formal communications to members by email and with use of links to the web site. Such formal communications comprise, for instance, notices of AGM, Annual Reports, etc.

If you have provided us with an email address for correspondence we will assume you are happy for us to send you formal communications in this way. Please advise us if you would prefer to continue to receive formal communications by post.

I elect to receive formal communications from the Society for Endocrinology by post.

Email communication – informal

I agree to the Society sending me informal communications (such as reminders about grant deadlines) by email.

(NB - if you do not agree to the statement above please strike through this sentence, but note that you will not then receive such communications, as they are not sent by post.)

Web communication

Under the provisions of the Companies Act 2006, we are required to ask you to confirm your agreement to the Society sending or supplying documents and information to you as a member of the Society via [www.endocrinology.org](http://www.endocrinology.org) or any other web sites.

Therefore, if you agree to the Society sending or supplying documents or information to you via the website, you need take no further action. If you would prefer to receive documents and information in paper form rather than via the website, please let us know.

We will notify you when documents and information are available to access on the website and we will provide you with:

- The address of the website and the place on the website where the documents and information may be accessed
- Details of how to access the documents or information

Please note that there may be particular circumstances in which the Society needs to send documents or information to you in hard copy rather than by website or email, in which case we reserve the right to do so.

I prefer to receive documents and information in paper form.

**Mailing preferences for application without email address supplied**

Email communication

Please note that informal communication, such as reminders about grant deadlines, only takes place by email, so if we do not have an email address, you will not receive these. Please provide an email address below.

..... (please print clearly)

If you would prefer to receive documents and information in paper form rather than via the website, please indicate below.

I elect to receive formal documents and information in hard copy from the Society by post, rather than via a website.

We will notify you when documents and information are available to access on the website and we will provide you with the address, place and access details as above.
