

Clinical Committee – approved July 2014, January 2015, 2019

Three meetings per year

Composition

Chair: The Chair is a clinical member of the Society for Endocrinology, normally a Council member, appointed by the Council of the Society. The Chair is normally expected to have served on this committee beforehand to gain knowledge and expertise.

Full Members: Up to 14 in total.

- Recruited via member nomination and committee ballot to include:
 - clinically and scientifically active members from large University and teaching centres
 - up to two consultants working outside of tertiary teaching centres
 - two clinical trainee members

Ex officio Members:

- Society representative to the JRCPTB (SAC) Endocrinology and Diabetes (Chair or Vice Chair)
- Senior Editor of *Clinical Endocrinology*
- SfE Nurse Committee Representative
- Chair of the RCP Joint Specialty Committee Endocrinology & Diabetes

Co-opted Members: The Chair may co-opt additional members for a limited period and for specific projects only or to represent related areas (e.g. paediatrics, clinical biochemistry, NIHR, RSM, DoH liaison), subject to Council approval. Input may also be sought from patient support groups

Quorum: 9 Full members

Duration of service:

- Chair: 4 years
- Full members: 4 years
- Ex officio Members: Co-terminal with office
- Co-opted Members: Duration as agreed by Council (see above)

Reporting

The Clinical Committee reports to the Council of the Society for Endocrinology through the Chair of the Committee. In addition to Council, the full minutes of the Clinical Committee will also be circulated to the Science Committee Chair. Brief reports on committee meetings will be sent to the other SfE Committee Chairs and the Programme Coordinator for Clinical Update.

Remit

1. Clinical Practice and Governance
 - a. To respond and give opinions on matters in clinical endocrinology including ethical issues and funding of high-cost therapies
 - b. To play a leading role in the development of guidelines for optimal management of endocrine disorders
 - c. To participate in the development and maintenance of audit in endocrinology from a national perspective
 - d. To support development of patient information leaflets
 - e. To develop position statements to support clinical management
2. Clinical Research
 - a. To support the Society's research, service provision and audit programme; recommending which project(s) should be officially adopted as Society for Endocrinology project(s) and to monitor their progress
 - b. To support clinical and translational research activities of SfE members by encouraging collaborative clinical research networks to enhance chances for endocrine research projects
 - c. To increase the competitiveness of endocrine researchers in obtaining major national and international grant funding
 - d. To highlight endocrine-focused grant opportunities and calls for clinical/translational endocrine research
3. Clinical Education, Training and Career Development – Recruit and Retain the Best
 - a. To inspire and attract undergraduate and early postgraduate students and trainees to a career in Endocrinology
 - b. To encourage clinical trainees to undertake research training and support the career development of young clinical academics
 - c. To ensure appropriate clinical training and education in endocrinology and diabetes by providing input and representation to the SAC of the JRCPTB and other relevant committees
 - d. To run a programme of clinical meetings including the Clinical Update meeting and National Clinical Cases meeting
 - e. To provide input on scientific symposia and other conference sessions to the relevant programme committees (including the secondment of a Programme Advisor to the SfE Programme Committee)
 - f. To make nominations for the Society's medals and for the CET Lecturer and CET Visiting Professor

Secretariat

Research & Professional Practice Manager
Director of Membership Engagement as required
Chief Executive as required

Additional notes:

- The Society is committed to equal opportunities and the promotion of diversity. The governance and business of this committee should follow the principles of the Society's Diversity policy
- Committee members should make every effort to attend all meetings. Attendance records will be kept and reviewed annually. Any committee member who does not attend any meetings in a year will be asked to step down, other than in exceptional circumstances
- Each new committee member will be issued with a job description and remit of the committee, together with the last three sets of meeting minutes
- All committee members need to be paid up members of the Society
- All papers and minutes must be treated in strictest confidence
- All committee members must act in the best interest of the Society. Any potential conflicts of interest should be declared at the start of the meeting or as they arise, and the member concerned should take no

part in the discussion

- Expenses cannot be claimed if a committee meeting is held during or on the same day as an SfE event if the Committee Member is also attending the event
- Ex officio members on this committee have full voting rights
- The Chair should not serve a second consecutive term of office, unless there are exceptional circumstances identified by Council
- Committee membership should represent key areas of interest and geographical spread; the nomination form should encourage members in under-represented areas to apply
- Wherever possible, retiring committee members should not stand for immediate re-election.
