

UNDERGRADUATE VIDEO AWARD

BRING HORMONES TO LIFE!

Are you passionate about science communication, myth busting and handy with a video app?

Enter the Society for Endocrinology's Undergraduate Video Award and win up to **£300!**

1 Find a hormone-related story in the news

It can be anything: from endocrine-disrupting chemicals in food, the obesity crisis, doping in sports, innovations in healthcare or research or any other related story that you find interesting.

2 Make a 1-2 minute video

Target your video at the general public. Cover the science involved as well as the impact of the related research. Use any style you like: presenter led, vlogging or animation.

3 Submit your video by **30 April 2020**

To apply, upload your video at [endocrinology/video](https://endocrinology.org/video).

PRIZES:

1ST £300

2ND £200

3RD £100
