

STUDENT VIDEO AWARD

BRING HORMONES TO LIFE!

Are you passionate about science communication, myth-busting and handy with a video app?

Enter the Society for Endocrinology's Student Video Award and win up to **£300!**

1. Choose from the following topics

Videos should explore **one** of the following subjects. Other subjects will not be considered as part of this competition:

What is homeostasis?

What is diabetes?

What is puberty?

2. Make a 1-2 minute video

Target your video at the general public. Cover the science involved as well as the impact of the related research. Use any style you like: presenter led, vlogging or animation.

3. Submit your video by **31 May 2024**

To apply, upload your video at endocrinology.org/video

PRIZES:
1ST-£300
2ND-£200
3RD-£100
